Subject: Bristol Bay Assessment - Update on Schedule

Team:

Once again, my thanks to all for your hard work on the revised draft assessment. I thought our first draft was great. This draft is an order of magnitude beyond great! The draft reflects that we have seriously considered and evaluated public and peer review comments, and have responded to those comments with a much improved assessment. Nice job!

We brief the Acting Administrator tomorrow (Friday) on our progress, status, and plans forward. I expect that he will be impressed by our accomplishments and appreciate the hard efforts of our team.

So just what are the plans forward? Obviously, our schedule has been a bit dynamic, but this is where we stand. The plan is to deliver Chapters 1 through 14 for senior executive management review on Tuesday, March 12. We will follow with a draft of the Executive Summary on Friday, March 15. While under senior management review, chapters will move on to the technical editors for editing and formatting.

To meet that schedule, please complete your reviews of all chapters and provide comments to Glenn, Kate, and I as soon as possible. And to the question of where is Chapter 1, I will deliver this weekend for your review and comment.

Thanks again for the hard work. Hang in there a bit longer to work on the response to comments documents, which are also coming together.

Jeff
